

"Through acceptance we can all enjoy a life worth experiencing. Equality is not a box it is a plane in which we can move about." - ~~AA~~ 2012

My cousin is a lesbian, I think this exhibit is a great idea. She's still not comfortable talking about it so I'm grateful for the sharing

The photographs & stories in this exhibit are beautiful. Mike Somer's story was beautiful.

Thank you for sharing your stories, and shedding light on reality

I have recently married into a family that is much more diverse than mine. This exhibit is fantastic to explore and challenge the ideas of traditional social norms/expectations

Great use of sayings and pictures
to emphasise a point.

What a cool exhibit. Thank you for
bringing this to Delta - it's true that
families are made up in lots of
different ways - and it should be about
love and no one getting in the way of
that. Love is always Right!

This Exhibit ~~is~~ is Great. As a
Bisexual woman seeing these photos
made me so happy, & ~~and~~ believe that
maybe someday we can get past the
"normal" and "notnormal" labels for
families.

I'm GLAD to see Delta Recognizing the
LGBTQ Community. ~~As~~ AS a Lesbian,
this warms my heart & shows society
is slowly taking the needed steps to
show we are normal. I AM no different than
any straight person. I hope that one day
we will all be equal with the same rights.

People should be allowed to express themselves free, and date or marry who they want. No matter who they are, each person deserves to love and to be loved. & I am proud to be gay and will always be proud.

Baron 2012.

I loved seeing the pictures of all the different and beautiful families, some of which are very similar to my own. My partner and I are raising three sweet little babies (who have 2 mommies), and we are no different from any other family. We share the same joys & challenges. Thank you for bringing "Love Makes a Family" to Delta College. I hope it brings more awareness & acceptance of families like mine! 😊

Spread Love

I was moved by these stories. It's nice to see delta's acceptance of others lifestyles. Regardless of gay, straight, Bi', Black, or white, what this world needs is patience & understanding. ~~It~~ Ultimately, we are human, & that's what matters most.

What a fantastic display - with stories as beautiful as the pictures. Well done.

This display is a wonderful caring piece that I very nearly just walked by. I'm very glad I took the time to take it in.

I love the quote: "...Two Spirit people have been here since the beginning of time." I wish everyone could understand that beautiful, simple concept.
