Hello Lauren!!

I would love for you to use my paper as an example for future classes! I am so happy to have seen your email! I worked very hard on the project and I'm so pleased to hear that it payed off.

I wanted to email you and thank you for all that you taught me this semester. I'm so thankful to have taken your class! You have a gift for stretching your students. Your teaching helped me grow in more ways than one. "It's supposed to be hard" will surely help me as I move along as a writer!

Let me know if you ever teach a higher English class, I'd be interested to know!

Blessings,

Jessie
